

KATE'S REAL FOOD

Dear Store Manager,

I am respectfully making a recommendation for your business. I have recently discovered Kate's Real Food bars, the best tasting, natural food bar available. As a regular customer of yours, **I will buy Kate's Real Food bars from your store!** These bars are hand-rolled and packed with *all natural* and *organic* ingredients for sustained energy. You have a return customer in me and I am not the only one to fall in love with these bars!

Kate began creating her bars in the '90's in Jackson Hole. She needed to maintain energy to ski all day and wanted an organic real food bar that tasted great. She combined wholesome ingredients in her kitchen and pressed them into pocket-sized bars. Voila! Kate's was born!

The entire line of hand rolled Kate's Real Food bars are **Organic, Kosher, Soy Free, Non-GMO, and Gluten Free**. They care about what goes into their bars and into our bodies. Kate's Real Food is a grassroots company that was voted the best tasting bar in REI and are currently sold nationwide.

KRF has had great success with accounts that range from cycle shops, coffee shops, cafes, fitness centers to outdoor retailers. You can also find their bars in select natural grocery stores. Please ask which natural and specialty distributors they work with, or buy all **six flavors** direct.

Kate's is a great fit for your store and customers. Try them for yourself!
